

MALT MANIACS AWARDS 2010

This 'Score Card' shows the more than 200 whiskies that managed to earn a gold, silver or bronze medal in the Malt Maniacs Awards 2010. The whiskies are ranked according to their average score. At the right of the page you can find out which juror gave which score to a particular whisky when he tasted it blind. Of course, the jurors are expected to give their verdict in splendid isolation - they are not allowed to communicate with other maniacs during the blind sampling. Some of these scores may deviate from others due to differences in personal taste, but given the limited amount of time to sample more than 260 whiskies the odds are that not ALL scores are right on target all the time. You can find more details about the malt maniacs and our annual whisky competition on www.maltmaniacs.org.

This year's team of jurors consisted of 11 certified malt maniacs; SV = Serge Valentin, France - JH = Johannes van den Heuvel, Holland - OH = Olivier Humbrecht, France - DK = Davin de Kergommeaux, Canada - RK = Robert Karlsson, Sweden - KG = Konstantin Grigoriadis, Greece - KN = Krishna Nukala, India - HY = Ho-cheng Yao, Taiwan - BB = Bert Bruyneel, Belgium - PJ = Paul Dejong, Belgium - DW = David Wankel, USA
